

Mayor Patterson and  
Honorable Council Members

-4-

May 31, 2018

As a community member, we request an opportunity to work together to examine existing state and local regulations for industrial facilities. If we are given that opportunity, we believe you will see there will be no need to pursue a duplicative and divisive Benicia Industrial Safety Ordinance.

Sincerely

Donald Cuffel  
Director – Healthy, Safety, Environmental &  
Regulatory Affairs

- c - Lorie Tinfow, City Manager
- Josh Chadwick, Chief - Benicia Fire Department
- Eric Upson, Chief of Police
- Don Wilson, VP and General Manager – Valero Benicia Refinery
