Christina Strawbridge, Lionel Largaespada and City Council members

are working hard for Benicia's hard-working residents

Benicia's current City Council uses teamwork to find commonsense solutions that make Benicia a great place for all of us to live and work. From mitigating the impacts of COVID-19 to enacting critical public health and safety reforms, they have a proven track record of fighting on behalf of Benicia's residents.

In recent years, Strawbridge and Largaespada worked hard to:

- ✓ Fund nearly \$267,000 for the city's BOOST Business Grant Program, an initiative aimed at supporting the local business community in light of economic hardship due to COVID-19.
- ✓ Collaborate with public health agencies and community-based organizations to facilitate assistance to low-income residents and residents who may lack access to health insurance by providing healthcare resources.
- ✓ Improve public health, safety, and welfare by continuing to coordinate with local industries and the broader community.

Keep city council working hard for Benicians by re-electing Christina Strawbridge & Lionel Largaespada.
