

Birdseye for council

By Solano County Supervisor Monica Brown

September 21, 2018

Ever since I was elected to be your supervisor, I have found Kari Birdseye to be a tireless advocate for Benicia. Nearly two decades ago, Kari and her husband chose to make Benicia their home. Kari raised her family in Benicia, put her kids through Benicia's schools and volunteered numerous hours as a Benicia PTA mom.

As a Planning Commissioner, Kari voted to deny the crude-by-rail proposal immediately after the hearing. Kari knew right away that crude by rail was bad for Benicia. After the flareup last year at the refinery, we saw the need for an Industrial Safety Ordinance (ISO) in Benicia. Kari is unabashed in her support of the proposed ISO.

Kari will be your voice, your champion and your neighbor at City Hall. Whether it's working to improve Benicia's schools or fighting to keep Benicia's environment safe, Kari has proven that she can be counted on.

On Tuesday, Nov. 6— or earlier by mail— please vote for Kari Birdseye for Benicia City Council.

Monica Brown;

Solano County Supervisor, District 2
