

Kari Birdseye for transparent and honest local government

By Jan Cox Golovich, October 7, 2018

I would like to express my enthusiastic support for Kari Birdseye for Benicia City Council. She is the ONLY City Council candidate to unequivocally denounce the shady and slanted telephone “push poll” thinly disguised as a “survey”. For one thing, this dirty campaign tactic is illegal and for another it’s morally reprehensible. So far, all we have heard from the other candidates are excuses and justifications for this disreputable conduct; their equivocation rather than outright condemnation is telling. This town deserves so much better. A vote for Kari Birdseye is a vote for transparency and honesty in local government and she will be getting mine.
