

RESOLUTION NO. 20- 103

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF BENICIA RECOGNIZING BENICIA BLACK LIVES MATTER AND CONSIDERATION OF ACTIONS TO ADDRESS UNCONCIOUS BIAS

WHEREAS, the death of George Floyd at the hands of the Minneapolis Police Department on May 25, 2020, prompted protests across the United States; and

WHEREAS, Benicia residents held protests here to share their experiences and voice their concerns; and

WHEREAS, a group of Benicia residents have formed a community organization called Benicia Black Lives Matter and made requests for changes to address unconscious bias in City operations, including the Benicia Police Department; and

WHEREAS, many of its requests for change in the Benicia Police Department have been made or are underway; and

WHEREAS, the City of Benicia acknowledges that more anti-bias training, education and communication is needed.

NOW, THEREFORE, BE IT RESOLVED THAT the City Council of the City of Benicia does hereby direct staff to take the following actions:

- Finalize the attached job description for an Equity and Diversity Manager to coordinate City activities described in this report with the following salary range:

A	B	C	D	E
8,949.87	9,397.36	9,867.23	10,360.59	10,878.62

- Authorize filling the Equity and Diversity Manager position as a temporary, part-time .5 FTE, with funding of \$89,000 transferred from the General Fund unassigned fund balance to the General Fund, and proceed with recruiting to fill the position;
- Join the Government Alliance on Race and Equity (GARE) and explore National League of Cities' Race, Equity And Leadership (REAL) Initiative.
- Mandate annual anti-bias training for City employees and elected and appointed officials similar to the training requirements already in place for ethics and harassment prevention and authorize the transfer of funding of \$8,000 from the General Fund unassigned fund balance into the General Fund.

- Recognize Juneteenth (June 19th) as a City holiday with appropriate recognition and programming to share the history with the community and coordinated activities through the Benicia Public Library (subject to meet and confer).
- Establish a Benicia Public Library program related to BLM. The program will include a current and continuously updated inventory of books and other materials on the topic of racial equity and the history of racism in America, along with relevant programming consistent with the mission of the Library. The Library is open to suggestions for forums, displays, and exhibits to further educate the community and provide a voice for marginalized members of the community.
- Commission a report on the Equity Indicators in Benicia similar to one prepared for the City of Oakland. (<https://cao-94612.s3.amazonaws.com/documents/2018-Equity-Indicators-Full-Report.pdf>) According to Oakland's website, "Such a report can be used to develop a baseline quantitative framework that can be used by City staff and community members alike to better understand the impacts of race, measure inequities, and track changes in the disparities for different groups over time. This framework can then be used to guide and inform policies that address these disparities." Authorize a budget allocation of \$75,000 from the General Fund unassigned fund balance into the General Fund to cover costs associated with hiring consulting assistance.
- Create a City Council subcommittee and establish a relationship with the Benicia Black Lives Matter (BBLM) committee structured similar to the City/Benicia Unified School District (BUSD) liaison committee. Representatives would include two Council members, the City Manager, the Police Chief and any other relevant City staff. BBLM would designate its representatives. Agendas would be jointly determined and an annual report made to the City Council on progress. Meeting schedule and other details would be co-created.
- Evaluate ways to improve the City's civic engagement efforts and remove barriers to allow broader community inclusion in City business. More tools similar to Benicia Town Hall are needed.
- Explore ways to support business opportunities for Black residents—seek opportunities for BBLM to work with the Chamber of Commerce and Benicia Industrial Park Association and other business organizations and consider holding City workshops to assist. Consider re-evaluating use of the Commanding Officers Quarters as a business incubator to support this effort.
- Create a webpage with resources for those interested in learning about the City's actions related to BLM and with appropriate resources provided.

On motion of Council Member **Young**, seconded by Council Member **Patterson**, the above Resolution was adopted by the City Council of the City of Benicia at a regular meeting of said Council held on the 25th day of August, 2020, by the following vote:
